Are you 100% confident
that no critical errors
have been missed?

GLOBAL VISION

www.globalvisioninc.com

ArtProof™
Artwork Inspection

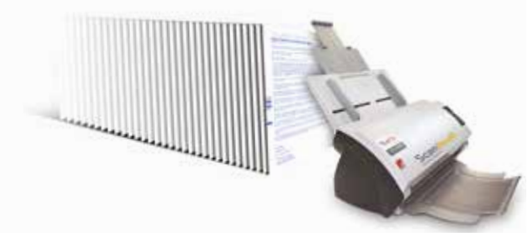
Inspect artwork with pixel precision

Quickly detect missing text and graphics, incorrect fonts and text size, broken type and color deviations

ScanBook™
Booklet Scanner

Scan an entire booklet in seconds

Inspects booklets, user guides, manuscripts, IFUs / DFUs and leaflets



DocuProof™
Text Inspection

Ensure the accuracy of all text documents in seconds

Compare Word-to-PDF and other files in any language as well as tables, type and templates

Scan360°™
Cylinder Scanner

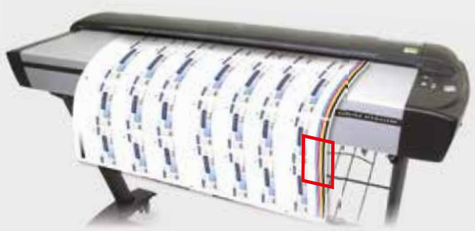
Cylinder & bottle inspection tool

Directly scan the surface of any bottle, tube or can and automatically compare it to the approved artwork

ScanTVS™
Print Inspection

Fast and accurate inspection of all printed components

Complete inspection of printed proofs, labels, cartons, inserts and nested press sheets



Scan Wet-ink™
Wet-Ink Scanner

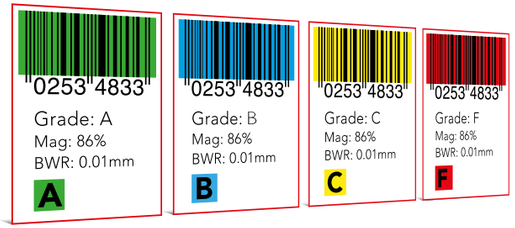
Straight off the press scanning system

Instantly inspect wet-ink media without the risk of cross contamination or smudging

BarProof™
Barcode Decoder & Verifier

Barcode decoder & verifier

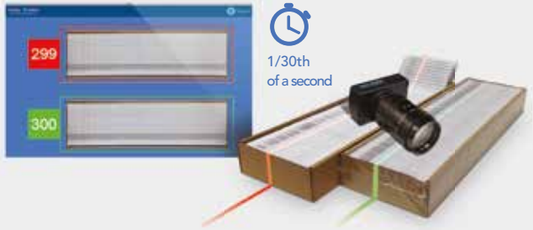
Automatically locate and grade all barcodes in PDF, labels, cartons or press sheets



iCount™
Counting Tool

Counts inserts in 1/30th of a second

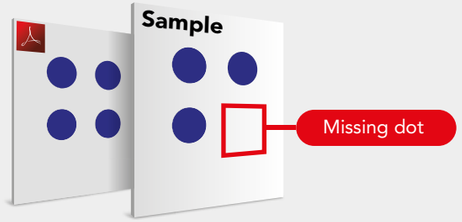
Automated counting workstation for non-contact counting of folded stacked products such as inserts, outserts, leaflets and folded cartons



BrailleProof™
Braille Inspection

Fast Braille packaging inspection

Digitally inspect Braille components for added or missing dots and translate Braille text into readable text



BraillePoint™
Braille Dot Measurement Tool

Precise Braille dot measurement tool

Accurately measures Braille dot height and spacing of embossed characters and glue dots on cartons and labels
